# Explore Our Range of Peanut Butter

At Agrion Group, we believe peanut butter should be more than just a spread—it should be a source of nutrition, energy, and indulgence. That's why we offer a wide, carefully curated range of premium peanut butter options designed to satisfy every customer's preference while maintaining the highest standards of quality.

# Export Pallet Packing

At Agrion Group, we understand the importance of safe and secure transportation of products, especially for our international clients. Our export pallet packing is designed to ensure product safety, easy handling, and compliance with global export standards.

- **Strong & Durable Material**

High-quality, fumigated wooden or plastic pallets ensure strength, stability, and compliance with ISPM-15 regulations.

- **Shrink Wrapping & Stretch Wrapping**

Each pallet is carefully wrapped with shrink film and stretch film to protect the cartons from moisture, dust, and movement during transit.

- **Pallet Strapping**

Heavy-duty strapping belts are used to reinforce the stability of the pallet during shipping.

# Container Loading

At Agrion Group, we ensure that every shipment is handled with precision and care. Our expert team follows a streamlined container loading process, ensuring maximum safety, space utilization, and product integrity throughout transit.

## ➤ Palletized Options

Palletized loading for easy handling & unloading at destination.

## ➤ Proper Weight Distribution

Even weight distribution maintained to ensure container balance & safety compliance.

## ➤ Protection & Safety Measures

Stretch-wrapped pallets & strapped cartons for added security. Use of dunnage (air bags, corner protectors) to prevent movement and product damage.
